

# Regional Vision

# NHHS Rail Program Phases

# Scope Highlights

*The \$121 million FRA grant obligation announced today will be combined with State bond proceeds to:*

- ▶ **Reinstall 10 miles of track from North Haven to Meriden**
- ▶ **Install three interlockings in North Haven, Meriden and Berlin**
- ▶ **Connect additional freight sidings (for freight cars)**
- ▶ **Install approximately 20 miles of underground signal, communications, and power cables between New Haven and Hartford**
- ▶ **Upgrade 28 at-grade crossings, including installation of quad-gate/median dividers as appropriate**
- ▶ **Rehabilitate, repair, replace, or close 13 bridges and culverts**
- ▶ **Construct new high-level platforms, overhead pedestrian bridge access and parking improvements at the Wallingford, Meriden, and Berlin stations and a high-level platform at the Hartford train station**
